

## Quickstep Announces Significant Follow-On Order for Carbonix Volanti Drones

**21 March 2024:** Quickstep Holdings (ASX:QHL) is excited to announce a substantial follow-on order from its Australian partner and advanced drone development company, Carbonix. The urgent order encompasses 40 Volanti airframes and associated non-recurring engineering, marking this the largest order received from Carbonix for this drone type.

Valued at \$1.35 million, this order is scheduled to be fully delivered before June 30, 2024, with all work planned to be completed at Quickstep's state-of-the-art facility in Geelong, Victoria.

This latest order underscores the continued partnership and trust between Quickstep and Carbonix, solidifying Quickstep's position as a premier provider of advanced drone solutions. The company remains committed to delivering high-quality products and solutions that meet the evolving needs of its partners and customers.

"We are thrilled to announce this significant follow-on order from Carbonix," said Luke Preston, Engineering Leader at Quickstep. "This order not only highlights the strength of our partnership with Carbonix but also validates Quickstep's expertise in delivering advanced engineered drone solutions for diverse applications, with more drone orders expected in the near future."
